From America's most trusted printer brand for business¹

Why upgrade to the latest HP Managed LaserJet printers?

Older HP Managed LaserJet printers may be costing you more than you think. As America's most trusted printer brand for business,¹ today's HP Managed LaserJet printers with Original HP Toner offer more value than ever.

Upgrading can increase overall productivity and lower your total cost of ownership. New HP Managed LaserJet printers can boost network security² for greater peace of mind and even help you improve your environmental impact.

The newest HP Managed LaserJet printers deliver

Advanced performance

Get the power and features your workforce needs

Lower total cost of ownership

Reliable performance and lower energy use² deliver savings

World's most secure printers³

Industry-leading security to protect your network

Lessen your impact

Conserve resources including energy, paper, and workspace

Reduce your total cost of ownership

The latest HP Managed LaserJet printers reduce waste through more reliable printing performance and use less energy than earlier models.² The compact, affordable design delivers HP performance for consistent, professional-quality printing every time with fewer reprints and less waste.

Improve your environmental impact with HP

With a full line-up of energy-efficient printers² from HP—a majority of which are EPEAT® registered⁷—you can conserve energy without sacrificing features or performance.

- ✓ Save energy with auto-on/off technology
- ✓ Duplex set by default right out of the box for lower paper use
- ✓ HP TerraJet Cartridges require less energy and use less plastic⁸
- ✓ The HP Planet Partners⁹ program makes recycling even easier. HP Planet Partners is our repurpose and recycling program for HP end-of-life equipment and printing supplies. Once you're done with your HP printers and cartridges, we can help repurpose or recycle them.

Learn more about the benefits of upgrading your printers by contacting

¹ Based on 2023 internal brand survey commissioned by HP.

² ENERGY STAR® certification only available on models with automatic two-sided printing.

³ HP's most advanced embedded security features are available on HP Managed and Enterprise devices with HP FutureSmart firmware 4.5 or above. Claim based on HP review of published features as of February 2023 of competitive in-class printers. Only HP offers a combination of security features to automatically detect, stop, and recover from attacks with a self-healing reboot, in alignment with NIST SP 800-193 guidelines for device cyber resiliency. For a list of compatible products, visit www.hp.com/go/PrintersThatProtect. For more information, visit www.hp.com/go/PrinterSecurityClaims

⁴ Not all MFPs may be compatible with Workpath apps. To enable HP Workpath, some devices may require optional accessory or firmware to be upgraded. Not all apps may be available in all locations. Subscription may be required. Personalized content and integration functions are applicable to supported HP Workpath apps only.

⁵ HP Wolf Security for Business requires Windows 10 or 11 Pro and higher, includes various HP security features, and is available on HP Pro, Elite, RPOS, and Workstation products. See product details for included security features.

⁶ Some features enabled by future HP FutureSmart firmware upgrades may not be available on older devices, if for example, physical product characteristics limit the functionality of the new feature.

⁷ EPEAT® registered where applicable. EPEAT registration varies by country. See <http://www.epeat.net> for registration status by country.

⁸ Plastic reduction of TerraJet Toner Cartridges calculated based on cartridge weight compared to predecessors. Plastic reduction in packaging calculated based on packaging weight compared to predecessors. HP calculations based on normalized Energy Star® TEC data of HP LaserJet Pro and Enterprise series with HP TerraJet Cartridges compared to predecessors. See www.hp.com/TerraJet/energysaving

⁹ HP Planet Partners program availability varies. For details, see www.hp.com/hprecycle
